

# Notice of Opening

Company: Andy Alligator's Fun Park & Water Park

Job Type: Full-Time      City, State: Norman, OK

Compensation: Hourly      Position: Game Technician

Description: Andy Alligator's Fun Park & Water Park is located in Norman, OK. Our fun park features 8 acres of attractions such as go-karts, bumper boats, miniature golf, and a climbing wall. Inside, our facility features a 50+ game arcade along with private party rooms and a café & pizzeria. Our water park opened in May, 2012 and features numerous slides and attractions for the family.

Below is our brief description and expectation for the Game Technician position.

**BASIC PURPOSE:** Manage and oversee game maintenance program to achieve safety requirements, quality service, and compliance with corporate policies and procedures while meeting/exceeding operational goals.

## **ESSENTIAL FUNCTIONS:**

1. Maintain, repair, troubleshoot and perform preventative maintenance on all games at multiple locations.
2. Keep parts inventory and notify senior management of any materials that are essential to insuring a safe, continuous operation.
3. Perform light maintenance duties including painting, replacing air filters, lighting, etc.
4. Order, merchandise and inventory redemption counter and prize games.
5. Operate attractions and assist management team.

## **SKILLS & QUALIFICATIONS:**

1. General knowledge and skill on the repair and maintenance of arcade games and electronics
2. Practical application of electronics and use of tools and equipment of the trade
3. Possess a valid driver's license and the ability to pass a background check
4. Ability to work nights, weekends & holidays

**If you are able to meet these qualifications, please send us your resume.**
